

NewMed Energy - Investors Presentation
February 2022

Disclaimer

This presentation was prepared by NewMed Energy - Limited Partnership (the "Partnership") and is given to you only for the provision of concise information for the sake of convenience and may not be copied or distributed to any other person. The Data and information included in this presentation should not be interpreted as advice and should not be relied on for any purpose. Such data and information should not be copied or used except as expressly permitted in writing.

This presentation does not purport to be comprehensive or to contain any and all information which might be relevant in connection with the making of a decision on an investment in securities of the Partnership.

No explicit or implicit representation or undertaking is given by any person regarding the accuracy or integrity of any information included in this presentation. In particular, no representation or undertaking is given regarding the realization or reasonableness of any forecasts regarding the future chances of the Partnership.

To obtain a full picture of the activities of the Partnership and the risks entailed thereby, see the full immediate and periodic reports filed by the Partnership with the Israel Securities Authority and the Tel Aviv Stock Exchange Ltd., including warnings regarding forward-looking information, as defined in the Securities Law, 5728-1968, included therein. The forward-looking information in the presentation may not materialize, in whole or in part, or may materialize differently than expected, or may be affected by factors that cannot be assessed in advance.

For the avoidance of doubt, it is clarified that the Partnership do not undertake to update and/or modify the information included in the presentation to reflect events and/or circumstances occurring after the date of preparation of the presentation.

This presentation is not an offer or invitation to buy or subscribe for any securities. This presentation and anything contained herein are not a basis for any contract or undertaking and are not to be relied upon in such context. The information provided in the presentation is not a basis for the making of any investment decision, nor a recommendation or an opinion, nor a substitute for the discretion of a potential investor.
