Dear Sir/Madam,

Re: **Completion of the Third Pipeline Project**

Further to Section 7.2.5(b)(1) of Chapter A (Description of the General Development of the Corporation’s Business) of the Partnership’s 2024 periodic report, as released on 10 March 2025 (Ref. 2025-01-015633), Section 3 of the update to Chapter A in the Q2/2025 report, as released on 7 August 2025 (Ref. 2025-01-058652), and Section 3 of the update to Chapter A in the Q3/2025 report, as released on 10 November 2025 (Ref. 2025-01-085255), regarding a project for the laying of a third subsea transmission pipeline from the field to the platform of the Leviathan reservoir, and for the upgrade of systems on the platform allowing expansion of the gas production capacity to ~14 BCM a year (the “**Third Pipeline Project**”), the Partnership respectfully reports that on 1 March 2026, the operator in the Leviathan project, Chevron Mediterranean Limited, notified the Partnership that the Third Pipeline Project has been completed.

**The holders of the interests in the Leviathan project and their holding rates are as follows:**

The Partnership	45.34%
Chevron Mediterranean Limited	39.66%
Ratio Energies – Limited Partnership	15.00%

Sincerely,

**NewMed Energy Management Ltd.**
