Dear Sir/Madam,

Re: **<u>Leviathan Bond Ltd. – Additional Buy Back Plan</u>**

Further to the Partnership's immediate report dated 6 January 2026 (Ref. 2026-01-002487), regarding the approval by the board of directors of the general partner of the Partnership of a plan for the purchase of bonds issued by Leviathan Bond Ltd., a wholly-owned subsidiary of the Partnership, in an aggregate amount of up to USD 100 million, for a two-year period commencing on 6 January 2026 and ending on 6 January 2028 (the "**Bonds**", "**Leviathan Bond**", "**Dollar**" and the "**Existing Purchase Plan**", respectively), it is hereby noted that, as of the date of this report, the Partnership has carried out buy back pursuant to the Existing Purchase Plan in the amount of approximately USD 97.5 million par value of the Bonds, in consideration for a total of approximately USD 100.8 million, including accrued interest as of the date of purchase.

Further thereto, the Partnership is pleased to update that, on 2 September 2026, the board of directors of the general partner of the Partnership approved the adoption of an additional plan for the purchase of the Bonds, pursuant to which the Partnership and/or Leviathan Bond may, from time to time, at the discretion of the Partnership's management and in accordance with the terms of the Additional Purchase Plan, carry out purchases of the Bonds in an aggregate amount of up to USD 100 million, by way of a purchase outside the stock exchange, a purchase through the institutional continuous trading system on the stock exchange, or by other means (the "**Additional Purchase Plan**"). The Additional Purchase Plan shall enter into effect on 2 September 2026 and shall terminate at the end of two years, i.e., on 2 September 2028.

It is noted that the sources of financing for carrying out the purchases pursuant to the Additional Purchase Plan shall be the own resources of the Partnership and of Leviathan Bond. It is further noted that any profit or loss resulting from the purchase of the Bonds shall be taken into account in calculating the Partnership's taxable income.

It is clarified that the aforesaid decision regarding the adoption of the Additional Purchase Plan, and the aforesaid regarding the Existing Purchase Plan, do not obligate the Partnership and/or Leviathan Bond to purchase the Bonds, in whole or in part, and that the Partnership's management shall be entitled to decide not to purchase any bonds at all and/or to purchase bonds in a scope lower than that approved.

Sincerely,

NewMed Energy Management Ltd.
