Dear Sir/Madam,

Re: Termination of the Engagement in the Agreement for the Sale of Natural Gas

Further to the notice of the Partnership and Ratio Energies – Limited Partnership ("Ratio") to Dalia Energy Companies Ltd. ("Dalia") regarding the termination of the agreement for the supply of natural gas from the Leviathan project, as stated in the Partnership's immediate report dated 25 September 2026 (Ref.: 2026-01-088521), the Partnership wishes to clarify that the notice of the Partnership and Ratio to Dalia dated 24 September 2026, regarding the termination of the said agreement due to the non-fulfillment of all condition precedents to the agreement in accordance with the deadlines set forth therein, remains in effect.

It is further noted that on 6 October 2026, Dalia notified the Partnership and Ratio that, in its view, the Agreement had come into effect. The Partnership and Ratio reject Dalia's claim, and in their position, the notice of termination is valid.

The partners in the Leviathan reservoir and their rate of holdings are as follows:

The Partnership	45.34%
Chevron Mediterranean Limited	39.66%
Ratio Energies – Limited Partnership	15.00%

Sincerely,

**NewMed Energy Management Ltd., the General Partner
of NewMed Energy – Limited Partnership**
